Subject: Volunteer sign up for AAA's

Hi everyone, I have tried to get this to as many people as possible in hopes that the right person gets this message.

We will be assigning lanes for the volunteers at short course AAA's.

Each club, or in your case group of clubs, is responsible for 4 timers and 2 S&T for:

1. the Thursday session,
2. the 400m events at finals and for preliminaries.
3. For the rest of finals we need 2 timers and one S&T.

Sign up electronically at:

<http://signup-sc.notlong.com>

Each volunteer can follow their level as an official to timing, S&T or senior official. There is also a comment area where parents can ask questions or note that they are sharing the shift with another volunteer.

Chena and West Van Otters will be sharing lane 4 all weekend.

Have fun!!

Heather Stein
